

PART 1: Define

To assist in your thinking/planning, complete the sentences below.

I really want students to learn...

EXPENSES ASSOCIATED WITH DAILY LIFE
CREATING A BALANCED BUDGET
PERSONAL CHOICES AFFECTING BUDGETS

- * Personalized
- * Collaborating
- * Independent

I think I could be more effective in facilitating this learning if...

I used tools that were engaging, added variety, allowed students to feel safe (particularly with 'finances')

The learning activity that I've chosen to address these objectives is...

Independent knowledge based activity → practical application.

The technology I'm thinking of using to support this learning activity...

① Everfi to develop independent knowledge

② menu creation and weekly food shop budget using CANVA + GSUITE.
